

Product Details and Certifications

Product: 1409-EOCD

Description: 1409 Arcing Ground Fault Detection System

RELAY DATA

Relay Class	Class II with High Current Inhibit Feature
-------------	--

MOTOR DATA

Voltage Code	575V
--------------	------

Horsepower	100 HP
------------	--------

Full Load Current	99
-------------------	----

STARTER DATA

NEMA Size	NEMA 4
-----------	--------

RELAY FEATURE

High Current Inhibit	Min. 446A, Max. 564A
----------------------	----------------------

ACCESSORY DATA

1409 Accessories	Arcing Ground Fault Sensor
------------------	----------------------------
