

Product Details and Certifications

Product: 1409-COBD

Description: 1409 Arcing Ground Fault Detection System

RELAY DATA

Relay Class	Class II with High Current Inhibit Feature
-------------	--

MOTOR DATA

Voltage Code	460V
Horsepower	25 HP
Full Load Current	34

STARTER DATA

NEMA Size	NEMA 2
-----------	--------

RELAY FEATURE

High Current Inhibit	Min. 153A, Max. 193A
----------------------	----------------------

ACCESSORY DATA

1409 Accessories	Arcing Ground Fault Sensor
------------------	----------------------------
